Recommendations to the Superintendent

EXAMPLE:

DUE PROCESS/DISPUTE RESOLUTION

- Increase utilization of early dispute resolution, such as facilitated IEPs and mediation, through enhanced awareness activities aimed at parents and schools.
- Ensure the adequacy of available hearing officers and legal counsel to meet the demand in order to improve the timeliness and effectiveness of hearings.
- Encourage more IEP recommended placements to acknowledged private school programs when public schools are unable to provide an appropriate program for a student with unique needs. . .

Pennsylvania State Interagency Coordinating Council 2011-2012

Early Intervention in Pennsylvania

Annual Report Submitted to the
Governor

The annual report provides a snapshot of early intervention

- children served by county
- funding for services
- location of services

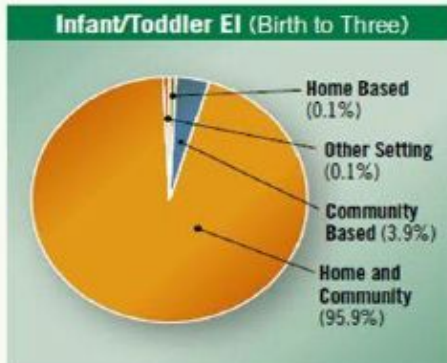

Family survey data

- 95% of parents agreed that they had the opportunity to tell service providers which supports and services were important

Location Where Services are Provided

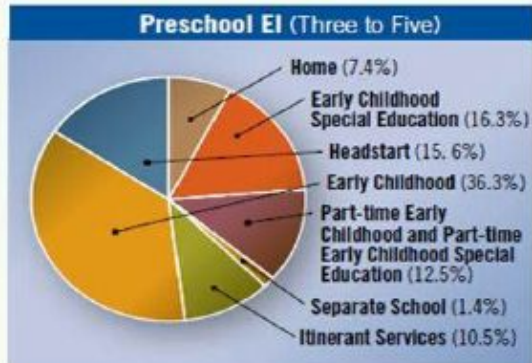

Infant/Toddler EI (Birth to Three)

Note:

Home and community means services are provided both in the home and in community settings, such as child care or recreational sites.

Preschool EI (Three to Five)

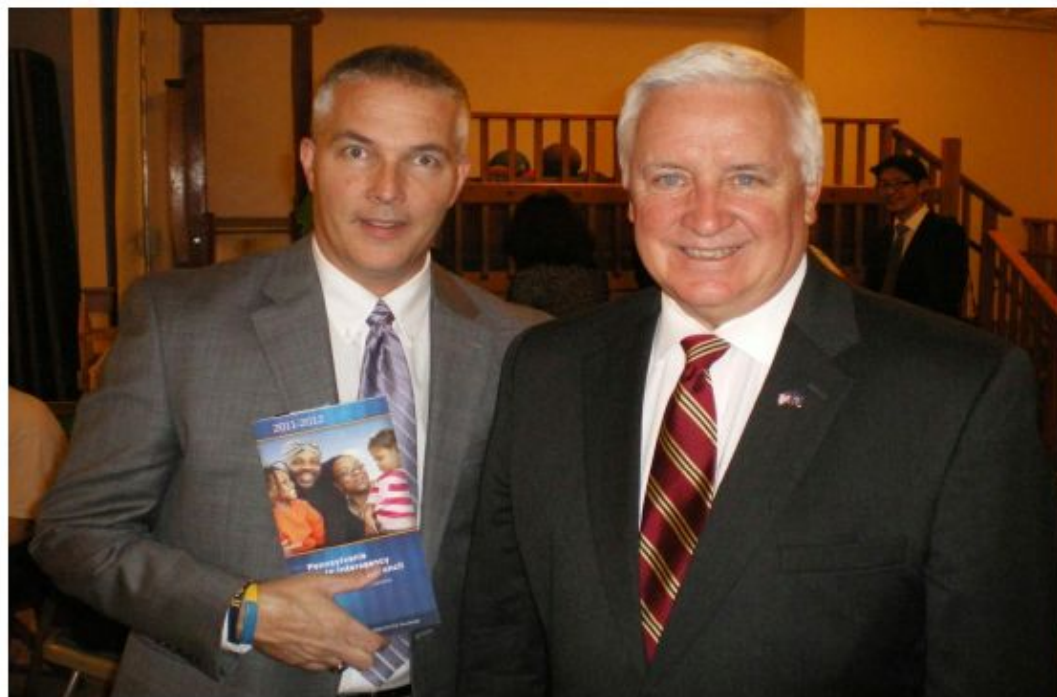

Note:

Almost 70 percent of preschool children receive their services in inclusive settings.

Funding for Services

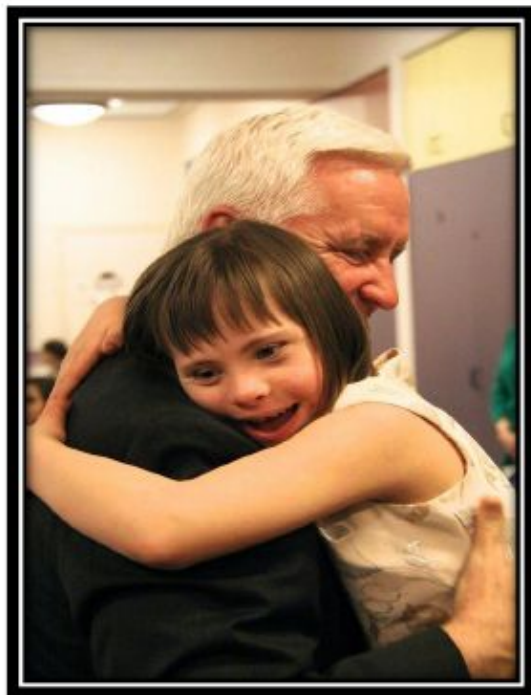

Notes:

1. State funds for 0-3 include funding for services and service coordination. State funds for 0-3 do not include the 10% match in funds from each county.
2. Federal funds include IDEA and Medical Assistance funds.
3. 2011-2012 numbers indicate allocated funds.
Final expenditure numbers will not be available until January 2013.
